

DELISEP S390 FOOD WASTE DISPOSER

“Waste management equipment for the demanding maritime and offshore industry that gets the job done efficiently, safely and in an environmentally responsible manner.”

The S390 unit incorporates a powerful 2.2kW heavy duty motor with cast stainless-steel cutting rotor and grinder making it the most powerful compact macerating unit on the market. It is recommended to connect the S390 unit to the D700 or D800 dewatering unit at a maximum distance of 5 meters.
